### RESEARCH EXPERIENCE

---

2017 – present

**Project Coordinator and Study Clinician, UCLA Addictions Laboratory**

Duties: Created and organized study materials for Master's and dissertation studies. Hired and trained six undergraduate research assistants. Will locate and recruit over 150 prospective research participants total from the greater Los Angeles community. Screen potential participants and schedule and conduct study visits. Perform quality assurance on all data collected, monitor data security and integrity, and submit IRB amendments as needed when study protocols change. Conduct clinical diagnostic interviews using the Structured Clinical Interview for *DSM-5* (SCID-5) to determine eligibility for participation and act as the primary clinician for the projects.

Principal Investigator: Lara A. Ray, Ph.D.

- 2014 – 2017 **Staff Research Associate II**, UCLA Integrated Substance Abuse Programs (ISAP)  
Duties: Located and recruited prospective research participants from various inpatient and outpatient psychiatry and substance abuse treatment programs at UCLA and from the greater Los Angeles area. Screened potential participants and scheduled and conducted baseline and follow-up interviews. Acted as the primary liaison to the clinics where participants were recruited and coordinated with outside agencies to access patient treatment records. Organized and conducted focus groups and assisted in intervention development. Prepared weekly status reports to be delivered to the study's Principal Investigators. Performed quality assurance on teleform data scans, performed data entry, and monitored data security and integrity. Assisted with IRB submissions annually and as needed when study protocols changed.  
Principal Investigators: Suzette Glasner, Ph.D. and Mitchell Karno, Ph.D.
- 2013 – 2014 **Research Assistant**, Carnegie Mellon University Relationships Lab  
Duties: Coded videotaped behavioral interactions between participating couples, and edited psychophysiological data using MindWare, and performed data entry.  
Principal Investigators: Brooke Feeny, Ph.D. and Meredith Van Vleet, Ph.D.
- 2012 **Research Assistant**, UCLA Anxiety and Depression Research Center  
Duties: Screened potential research participants over the phone to determine study eligibility. Performed data entry from participant questionnaires and interviews, including transcribing therapy sessions conducted by study therapists. Entered and manipulated data in SPSS to create specific data sets for use by various graduate students and faculty.  
Principal Investigator: Michelle G. Craske, Ph.D.

## CLINICAL EXPERIENCE

---

- 2021 – present **Advanced Graduate Student Therapist**, UCLA Psychology Clinic  
Duties: Provide individual psychotherapy to an adult presenting with borderline personality disorder and comorbid trauma.  
Modality: Dialectical Behavior Therapy (DBT)  
Licensed Supervisor: Rachel Higier, Ph.D.
- 2021 – present **Intake Team Peer Supervisor**, UCLA Psychology Clinic  
Duties: Co-supervise a team of early-stage clinical psychology graduate students conducting semi-structured intake interviews for clients presenting with a range of psychological concerns.  
Licensed Supervisor: Philip Sayegh, Ph.D., MPH
- 2020 – 2021 **Advanced Graduate Student Therapist**, UCLA Psychology Clinic  
Duties: Provide individual psychotherapy to adults with various presenting problems using multiple evidence-based modalities. Co-led a weekly 90-minute DBT skills group with adults.  
Modalities: Cognitive Behavioral Therapy (CBT), Acceptance and Commitment Therapy (ACT), and DBT  
Licensed Supervisors: Hollie Granato, Ph.D. (group), and Rachel Higier, Ph.D. (group), and Jayson Mystkowski, Ph.D. (individual)
- 2019 – 2021 **Neuropsychological Assessment Peer Supervisor**, UCLA Psychology Clinic  
Duties: Supervised two first-year graduate student assessors through a comprehensive neuropsychological battery with adult clients. Due to COVID-19 restrictions, in one case

this was done using the case of a prior client in a mock interview and assessment context. In the second case, supervised student assessor throughout all aspects of the neuropsychological assessment, including intake interviewing, battery design and execution, report writing, and feedback. Supervised an additional beginning assessor during practice administrations of the Weschler Adult Intelligence Scale – Fourth Edition (WAIS-IV) and preparation of a practice comprehensive neuropsychological report.

Licensed Supervisor: Philip Sayegh, Ph.D., MPH

2019 – 2020

**Psychology Pre-Intern**, Tibor Rubin VA Medical Center – VA Long Beach Healthcare System

Clinical Rotations: General Outpatient Mental Health at the Santa Fe Springs Community Based Outpatient Clinic (SFS CBOC); Behavioral Health Interdisciplinary Program (BHIP)

Duties: Conduct intake interviews and provide individual and group evidence-based treatment, psychodiagnostic assessment, and treatment planning sessions to a diverse group of Veterans from the greater Long Beach community.

Modalities: CBT, CBT for Insomnia (CBT-I), Cognitive Processing Therapy (CPT), Prolonged Exposure (PE), Skills Training in Affective and Interpersonal Regulation (STAIR), and Cognitive Behavioral Analysis System of Psychotherapy (CBASP)

Licensed Supervisors: Sara Gonzalez-Rivas, Ph.D., Vanessa Hurwitz, Ph.D., and Amy A. Potts, Ph.D.

2018 – present

**Graduate Student Therapist**, UCLA Psychology CBT for Alcohol Use Disorder Clinic

Duties: Conduct intake interviews and deliver a 12-week manualized CBT treatment protocol (i.e., Project MATCH) to a diverse set of patients presenting with alcohol use disorder.

Modality: CBT

Licensed Supervisor: Lara A. Ray, Ph.D.

2018 – 2019

**Intake Interviewer**, UCLA Psychology Clinic

Duties: Conduct intake interviews with adults and write corresponding clinical reports including clients' presenting concerns, diagnostic information, cultural factors, and case conceptualization.

Licensed Supervisor: Nikki Rubin, Psy.D.

2018 – 2019

**Graduate Student Therapist**, UCLA Psychology Clinic

Duties: Conduct intake interviews and provide individual psychotherapy to adults and children with various presenting problems using multiple evidence-based modalities.

Modality: CBT

Licensed Supervisors: Michelle Feng, Ph.D. (adult), Lynette Lau, Ph.D. (child), and Lara A. Ray, Ph.D. (adult)

2017 – 2021

**Neuropsychological Assessor**, UCLA Psychology Clinic

Duties: Conducted comprehensive psychoeducational and neuropsychological assessments for adult and child patients. Compiled comprehensive neuropsychological reports including history, assessment results, and clinical recommendations. Delivered feedback to clients and their families.

Licensed Supervisors: Deborah E. Anderson, Ph.D. (child) and Philip Sayegh, Ph.D., MPH (adult)

2017 – present

**Research Interviewer**, UCLA Addictions Research Laboratory

Duties: Conduct clinical diagnostic interviews using the SCID-5 assessing for mood disorders, psychotic disorders, and substance use disorders to determine eligibility for participation. Act as a study clinician and perform counseling sessions which include providing psychoeducation and utilizing motivational interviewing, Screening, Brief Intervention, and Referral to Treatment (SBIRT), and cognitive behavioral skills to encourage quitting smoking, reducing drinking, and alcohol treatment planning.

Licensed Supervisor: Lara A. Ray, Ph.D.

2014 – 2017

**Research Assessor**, UCLA Integrated Substance Abuse Programs

Duties: Administered the Mini International Neuropsychiatric Interview (MINI), Timeline Follow-Back, and the Alcohol Use Disorders Identification Test (AUDIT) with individuals with substance use disorders and other co-occurring psychopathology.

Licensed Supervisors: Suzette Glasner, Ph.D. and Mitchell Karno, Ph.D

## TEACHING EXPERIENCE

---

2020

**Teaching Associate**, UCLA Department of Psychology

*PSYCH 162: Psychology of Addiction (Undergraduate)*

Duties: Held weekly office hours to field students' questions and concerns. Provided feedback to students on class participation via the online forum. Graded papers.

Professor: Lara A. Ray, Ph.D.

2019

**Teaching Associate**, UCLA Department of Psychology

*PSYCH 271F: Clinical Research Laboratory (Graduate)*

Duties: Conducted and reviewed patient diagnostic interviews with graduate students.

Professor: Cindy Yee-Bradbury, Ph.D.

2018

**Guest Lecturer**, UCLA Department of Psychology

*PSYCH 127A: Abnormal Psychology (Undergraduate)*

“Causal Models and Treatment of Substance Use Disorders”

Professor: Denise Chavira, Ph.D.

2018

**Teaching Assistant**, UCLA Department of Psychology

*PSYCH 127A: Abnormal Psychology (Undergraduate)*

Duties: Taught four weekly discussion sections to a total of 100 students. Held office hours to field students' questions and concerns. Proctored exams. Guest lectured to the class of 200 students on the causal models and treatment of substance use disorders.

Professor: Denise Chavira, Ph.D.

2017

**Teaching Assistant**, UCLA Department of Psychology

*PSYCH 110: Introductory Psychology (Undergraduate)*

Duties: Held office hours to field students' questions and concerns. Monitored and assisted students in the development of their final term projects, which included the design and execution of individual research experiments, followed by a scientific manuscript. Proctored exams and the final exam.

Professor: Courtney Clark, Ph.D.

2014

**Teaching Assistant**, Carnegie Mellon University Department of Psychology

*85-340: Research Methods in Social Psychology (Undergraduate)*

Duties: Prepared class material for use by professor. Held office hours to field students' questions and concerns. Graded assignments, quizzes, and exams. Proctored quizzes, exams, and final exam. Monitored and assisted students in the development of their final

term projects, which included the design and execution of individual research experiments, followed by a scientific manuscript and poster presentation.

Professor: Meredith Van Vleet, Ph.D.

2013

**Teaching Assistant**, Carnegie Mellon University Department of Psychology  
*85-241: Social Psychology (Undergraduate)*

Duties: Prepared class material for use by professor. Held office hours and pre-exam review sessions to field students' questions and concerns. Graded assignments, quizzes, and exams. Proctored quizzes, exams, and final exam.

Professors: Chante Cox-Boyd, Ph.D.

## **PROFESSIONAL TRAINING**

---

2018

Managing and Adapting Practice (MAP) Training

Training: Four-day training to learn MAP approach to evidence-based treatments with children and adolescents.

Instructors: Bruce Chorpita, Ph.D. and Kimberly Becker, Ph.D.

2018

Foundations in Clinical Psychology: Addiction Diagnosis and Treatment Seminar

Training: Covered principles and methods of psychological assessment, evaluation, diagnosis, and treatments for substance use disorders.

Instructor: Lara A. Ray, Ph.D.

2017

Structured Clinical Interview for *DSM-5* (SCID-5)

Training: Administration, scoring, and interpretation of SCID-5.

Instructor: Lara A. Ray, Ph.D.

2012 – present

Collaborative Institute Training Initiative (CITI) – Human Research, Social and Behavioral Researchers and Staff, Biomedical Researchers and Staff, FDA Regulated Research, Biomedical Responsible Conduct of Research, Good Clinical Practice
